

We CARE-4-Paws

**(Care - Adopt - Rescue - Educate)**

**Looking to spend quality time as a family? Love animals?**

**Volunteer With US!**

We are creating a volunteer team to help the animals. We have an awesome partnership with Last Chance Animal Rescue (LCAR) (<http://lastchanceanimalrescue.org>) and PETSMART. Together we host Dog Adoption Events normally on Saturdays at various PETSMARTs. LCAR's cats are always available for adoption at the PETSMART Charities Luv-A-Pet Centers throughout MD & Northern VA.

Our furry friends in the PETSMART Charities Adoption Centers are in desperate need of love and attention. For just a few hours a week or month, you can make a big difference in the quality of life of our furry friends. Are you able to volunteer your time and effort? If so, you can expect no extra income to help pay down your mortgage or pay off the car. What you will receive in return is the unconditional love and eternal affection of sweet and beautiful furry friends who appreciate your kindness and generosity. You will be rewarded with soft purrs of a loving kitty or wagging tail of happy puppy.

Don't delay, start your rewards now and you will be all the richer for your compassion. Please pick up a Volunteer Application Packet at the PETSMART Charities Luv-A-Pet Center or Store Manager's Office located at over 20 PETSMARTs from Maryland to Northern Virginia, or visit our website (<http://www.wecare4paws.org>) to complete our Volunteer Application Packet or email us at [volunteer@wecare4paws.org](mailto:volunteer@wecare4paws.org).

**Our furry friends hope to see you soon!**
